Summary

I am Frederick, a self-taught developer passionate about creating immersive mobile and web applications. With expertise in Ionic Angular development, Node.js, TypeScript, Angular, MongoDB, and Express.js, I thrive on delivering exceptional user experiences. Collaboration is at the heart of my approach, as I enjoy working with cross-functional teams to bring ideas to life. Currently also thriving as a freelance full stack developer, proficient in MongoDB, Node.js, Express.js, Angular, and Ionic Framework. I am committed to continuous learning and staying ahead of industry trends.

Experience

- Freelance Full Stack Developer

Self-Employed

September 2023 - Present

- As a freelance full stack developer, I independently manage projects from conception to delivery, ensuring high quality and scalable solutions for clients. Proficient in MongoDB, Node.js, Express.js, Angular, and Ionic Framework, I leverage my skills to create robust and efficient applications tailored to client needs.

- Ionic Angular Developer

Ventis Inc

Jul 2023 - September (3 months)

- Ionic framework, Angular, Node.js, TypeScript, CSS/SCSS, and JavaScript were web technologies used in developing cross-platform mobile and web applications.
- Leveraging on CSS/SCSS media queries implemented responsive design principles to ensure seamless user experiences across devices and platforms.
- To achieve cohesive and high-performing applications collaborated closely with designers and backend developers to integrate visual and functional elements.
- Conducted code reviews and implemented optimization techniques to enhance application performance and maintainability.

- Retail Sales Manager

Radiant Amore Services

Nov 2017 - Nov 2022 (5 years 1 month)

- Directed retail operations, including inventory management, sales forecasting, and customer service strategies and this reflected in generated revenue.
- Social media campaigns, fliers, customized gift items and in-store promotions were go-to market strategies in winning potential and maintaining existing customers. Analyzed market trends and competitor's activities to develop targeted marketing campaigns.
- Mentored and trained sales staff to improve product knowledge and sales techniques, resulting in increased revenue and customer satisfaction.
- Implemented customer feedback mechanisms and conducted regular surveys to identify areas for improvement and enhance the overall shopping experience.

- **Classroom Teacher**

National Youth Service Corps
PPA: Green Pasture Group of Schools,
Imashayi, Yewa North, Ogun State
Nov 2015 - Oct 2016 (1 year)

- Developed and delivered engaging lesson plans tailored to diverse learning styles and abilities in line with defined curriculums.
- Established a collaborative and inclusive classroom environment, this helped in fostering student participation and critical thinking.
- Organized extracurricular activities, such as debates, to enrich the learning experience and broaden students' horizons, including forming a Junior Press Club.
- Implemented assessment strategies to monitor student progress and provide timely feedback for academic growth.

- **KYC Officer**

Gukon Nig. Enterprises, Ughelli, Delta State
Dec 2011 - Dec 2012 (1 year 1 month)

- Managed SIM card registration processes in compliance with regulatory requirements and service providers' policies.
- Resolved customer inquiries and concerns promptly, ensuring a positive and satisfactory experience.

- **Administrative Assistant**

Donrose-RK Nig. Ltd, Ughelli, Delta State
Oct 2010 - Jan 2011 (4 months)

- Using Microsoft Office Suite provided administrative support to various departments, including document management, scheduling, and correspondence.
- Leveraging on Microsoft Excel, developed and maintained electronic filing systems to organize and streamline information retrieval.
- Assisted in event planning and coordination, including logistics, venue selection, and vendor management and supervision of in-bar promotions.
- Prepared reports and presentations for management review and decision-making processes using Microsoft PowerPoint.
